

Register online with HealthHelp today!

Authorizations will be managed by HealthHelp starting May 1, 2026. A complete list of procedure codes requiring authorization can be found at www.healthhelp.com/CareOR

Learn more about the new programs by signing up for a system demo hosted by HealthHelp.

The webinar will give a system demonstration with user experience insight on how to appropriately enter procedure requests along with additional program information and your opportunity to ask questions.

Register for your preferred session using the links shown below.

HealthHelp's WebConsult is the fastest and easiest way to obtain and confirm authorizations online
