

HealthHelp Webinars

Learn more about HealthHelp's Site quality and safety program by signing up for a system demo hosted by HealthHelp.

The webinar will give a system demonstration on how to register and access our online assessment, provide guidance on what information users will need to complete the assessment, as well as, supply additional program information, such as, support tools, and HealthHelp contact information.

Register for a HealthHelp webinar by using the below contact methods.

To schedule a webinar or for additional questions, feel free to contact our Site Support Team by email or using our toll-free number.
